Saint Paul, Minn. (September 2011) – For the 3rd year, Saint Paul-based Morrissey Hospitality Companies (MHC) has announced a twice-as-merry gift card offer, as well as a brand new deal on holiday parties, just in time for the holiday season.

MHC has launched a brand new holiday group and private dining promotion. Effective immediately, **event hosts who book holiday parties at one of MHC's six participating properties** will receive gifts which they can use as party favors, holiday gifts, or door prizes for event guests. Groups spending between \$2,000 and \$2,999 on their event will receive five \$25 gift certificates good for use at Tria Restaurant, Pazzaluna Urban Italian Restaurant, The St. Paul Grill, Enjoy! and Paradise Landing. Groups spending \$3,000+ will receive the same five gift certificates, plus a complimentary weekend-night stay at The Saint Paul Hotel.

Party planners can take advantage of the holiday events special offers by contacting any of the above properties to make reservations. The holiday private party offer is valid for events experienced between November 1, 2011 and February 29, 2012. Events may be begin to be reserved immediately in order to receive the complimentary holiday gift certificates.

In addition, shoppers looking for a great bargain, can double your dollars! Starting November 1, 2011, **every shopper who purchases \$100 worth of gift cards from one of MHC's six participating properties**—The Saint Paul Hotel, The St. Paul Grill, Pazzaluna Urban Italian Restaurant, Tria Restaurant, Enjoy! Restaurant and Paradise Landing —will also receive a free bonus package including five promotional cards. Each promotional card will be good for \$20 at each of the other five properties (for The Saint Paul Hotel, promotional cards will be good for M ST Cafe or the Lobby Bar). With this gift card offer, gift card purchasers will receive \$200 in value for every \$100 they spend.

The twice-as-merry gift card offer begins on November 1, 2011, and will be available through December 31, 2011. The \$20 promotional cards will expire on March 31, 2012 and are valid at the specified location only. The promotional cards are valid for eat-in, breakfast, lunch, dinner or brunch only (no alcohol, no tax or gratuity, no cash value). The promotional cards are not valid on the day of purchase and only one card may be used per table.

MHC's President Bill Morrissey explains how the twice-as-merry gift card offer will work: "Let's say someone purchases four, \$25 St. Paul Grill gift cards to give to their co-workers," he says. "In addition to their four gift cards, The St. Paul Grill will give them a package containing five, \$20 promotional cards—one for M ST Cafe/The Lobby Bar at The Saint Paul Hotel, one for Pazzaluna, one for Tria, one for Enjoy! and one for Paradise Landing. Gift card purchasers can use these valuable cards as additional

holiday gifts, making their shopping dollars stretch twice as far, or even save one or two to enjoy themselves. There isn't another offer like this in the market."

Gift cards can be purchased by phone, at any of the establishments, or online at each establishment's website:
