

THE SAINT PAUL HOTEL NAMED ONE OF TOP 100 HOTELS BY READERS OF *CONDE NAST TRAVELER* MAGAZINE

Saint Paul, Minn. (October 2009) – The readers of *Conde Nast Traveler Magazine* named The Saint Paul Hotel one of the “Top Hotels in the World.” The Saint Paul Hotel was ranked number 67 in the United States.

Every year since 1988, a select sample of *Conde Nast Traveler* readers have taken the Readers’ Choice Survey. More than 25,000 readers responded to the survey. “The big news is that, undaunted by tough times, our readers are still way out in front, discovering the coolest experiences, electing the top performers for every kind of service and reaffirming an enduring passion for travel,” *Conde Nast Traveler* noted.

“We are so pleased that The Saint Paul Hotel has been recognized by the readers of one of the finest travel publications,” said David Miller, General Manager of The Saint Paul Hotel General Manager. “This award is a reflection of the outstanding service that our dedicated staff offers to each of our guests at The Saint Paul Hotel.”

Built in 1910, The Saint Paul Hotel is the Twin Cities’ most established and elegant hotel. The Saint Paul Hotel, a member of the Historic Hotels of America and the Preferred Hotel Group, is located at 350 Market Street on Rice Park in downtown Saint Paul, Minnesota.
